

GABRIELE BOTTAI

Junior Developer

PROFILE

I feel I am a very creative and solar person, I play the piano, I sing, I like to listen to good music and above all I have a great passion for photography and drawing.

I have excellent listening skills, good relations with colleagues, ability to participate in work groups and ability to interact with people from different cultures.

I believe I can guide a group towards the set goals in an accurate and orderly manner.

I am a volunteer of the Italian Red Cross.

I consider myself to have a dynamic personality, to be open to interpersonal relationships and to possess a keen sense of joint duty with great enthusiasm.

Available for immediate transfer, following the end of the notice period.
